WOODWARD AVENUE & 8 MILE ROAD

**BEGINNING SEPTEMBER 2006
ENDING AUGUST 2007**

HOW TRAFFIC WILL BE IMPACTED

FALL OF 2006

NB and SB Woodward Avenue over 8 Mile Road will be closed. Traffic will be detoured using two through lanes on the NB Service Drive and three through lanes on the SB Service Drive.

EB and WB 8 Mile Road will have two through lanes except on nights and weekends.

All lanes open over the winter.

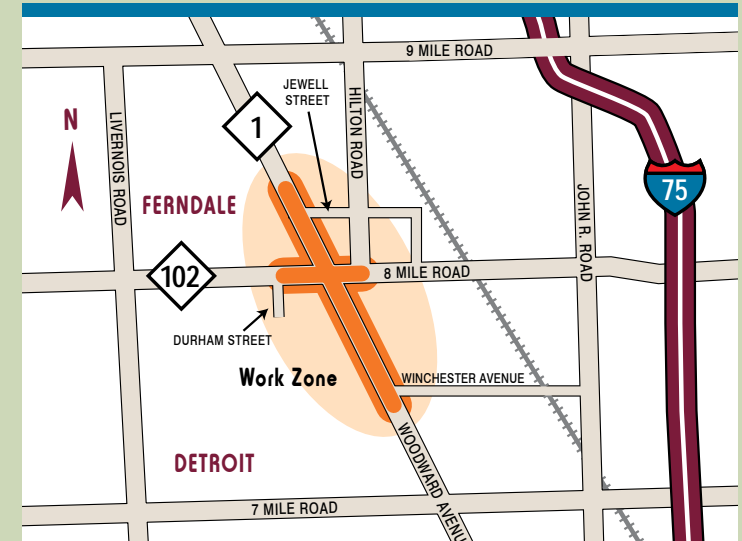

WINTER 2006/2007

EB 8 Mile Road Service Drive will have one lane closed for water main work.

SPRING/SUMMER 2007

Rehabilitation of the Woodward Avenue and 8 Mile Road Service Drives. Traffic will be detoured using the median turnarounds in the vicinity of the project. Mainline 8 Mile Road and Woodward Avenue will be open.

AREA OF CONSTRUCTION

PROJECT LIMITS

The M-1 (Woodward Avenue) and M-102 (8 Mile Road) intersection reconstruction project consists of bridge and road improvements on Woodward Avenue from Jewell Street to Winchester Street and on 8 Mile Road from Durham Street to West of Hilton Street, in the Cities of Detroit and Ferndale.

SAFETY IMPROVEMENTS

The intersection will receive safety improvements including decorative lighting, rehabilitation of historic bridge railings and guardrail, new signs, new concrete barrier wall.

HISTORICAL & BEAUTIFICATION IMPROVEMENTS

Include new landscaping, colored and stamped crosswalks, art panels and a historic marker site explaining the history of the bridge.

PROJECT TIME LINE

Work includes reconstructing the Woodward Bridge over 8 Mile Road and resurfacing mainline Woodward Avenue and 8 Mile Road.

Water main construction on EB 8 Mile Road Service Drive only.

Mainline Woodward Avenue and 8 Mile Road open. Service Drives under construction. Project completed before the 2007 Dream Cruise.
